ARABIAN SOLUTIONS FOR HYDRAULICS

"Precision under Pressure-Reliable
Hoses and Fittings for every Industry"

ABOUT US

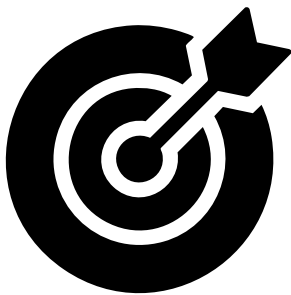

WELCOME TO **FLUINEX**

A leading provider of innovative hose assembly and fluid power hydraulic solutions based in Eastern province, Saudi Arabia. With years of expertise in the industry, we specialize in high quality **Hose** assemblies, **fittings** and complete fluid power hydraulic solutions tailored to meet the diverse needs of our clients across various sectors, including **oil and gas, petrochemicals, construction, Transportation and Industrial manufacturing.**

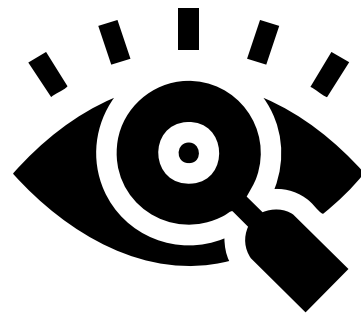

OUR EXPERTISE

At **FLUINEX**, we pride ourselves on our technical know-how and commitment to excellence. Our team of skilled professionals utilizes state-of-the-art technology and adheres to international standards to ensure that every product we deliver is durable, reliable, and efficient. Whether it's Hydraulic hoses, Industrial hoses, or custom hose assemblies, we provide solutions that withstand the toughest conditions and deliver optimal performance.

OUR MISSION

Our mission is to empower industries with cutting-edge hose assembly and fluid power hydraulic solutions that enhance operational efficiency, safety, and reliability for our clients, while maintaining highest Industry standards

OUR VISION

We envision becoming the preferred partner for hose assembly and Hydraulic solutions in Eastern province and beyond, recognized for our quality, and commitment to customer satisfaction. By continuously investing in technology, training, and sustainable practices, we aim to set new benchmarks in the industry and contribute to the growth of Saudi Arabia's industrial landscape.

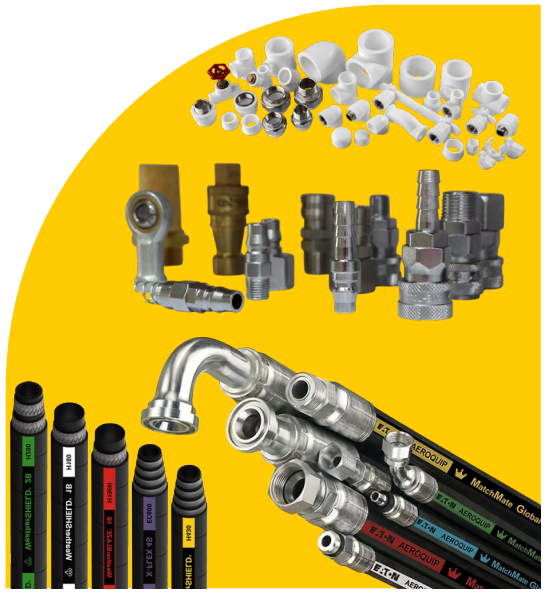

FLUINEX – Powering Industries, Delivering Excellence.

WHY CHOOSE US?

Premium Quality products, Custom Hose solutions, ***Fast and Reliable service***, Commitment to safety and compliance

PRODUCTS & SERVICES

- Hydraulic Hoses
- Fittings
- Air Conditioning Hose Assemblies
- Custom Hose Solutions
- Quality Assurance

HOSES AND FITTINGS

HOSES :

- Standard Hydraulic Hoses
- High-Pressure Hydraulic Hoses
- Thermoplastic Hydraulic Hoses
- Rubber Hydraulic Hoses
- PTFE (Teflon) Hydraulic Hoses
- Suction and Discharge Hoses
- Specialty Hydraulic Hose
- Flame-Resistant Hydraulic Hoses
- Industrial Hoses
- Utility Hoses
- Air conditioning Hoses
- Chemical Hoses

INDUSTRIES SERVED

■ OIL AND GAS

■ CONSTRUCTION

■ AUTOMOTIVE

■ TRANSPORTATION

■ MANUFACTURING

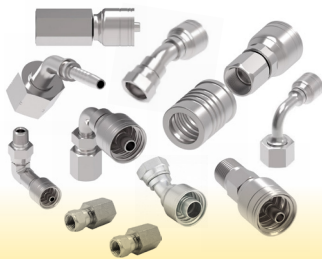

■ AGRICULTURE

■ MARINE

FITTINGS

- Barbed Fittings
- Threaded Fittings Quick-
- Connect Couplers
- Camlock Couplers
- Flange Fittings Push-to-
- Connect Fittings

HYDRAULIC PRODUCTS

- Pumps
- Valves
- Cylinder
- Seal kits
- Filter
- Accumulator

ACCESSORIES

- Hose Clamps
- O-Rings and Gaskets
- Thread Sealants
- Hose Sleeves and Protectors

PIPES, VALVES FLANGES & FITTINGS

SS PIPES & CS PIPES/GI PIPES

PRECISION HOSE CRIMPING FACILITY

At **FLUINEX**, we operate a state-of-the-art hose crimping facility equipped with advanced, computer-controlled machines. Our facility ensures precise and reliable hose assemblies tailored to your specific needs. Whether you require **Hydraulic hoses, Air conditioning hoses, or custom fittings**, we deliver high-quality solutions with quick turnaround times. Our rigorous quality assurance process guarantees durability and performance, making us the trusted choice for industries across **Saudi Arabia**.

KEY FEATURES:

- **High-Quality Crimping Machines:** Use of modern, computer controlled crimping machines for accurate and consistent results.
- **Wide Range of Hose Sizes:** Capability to crimp hoses of various diameters and lengths.
- **Custom Solutions:** Ability to create hose assemblies tailored to specific customer requirements.
- **Quality Assurance:** Rigorous testing and inspection processes to ensure durability and performance.
- **Quick Turnaround:** Efficient production process to meet tight deadlines.

APPLICATIONS:

- Suitable for hydraulic, pneumatic, and air conditioning systems.
- Ideal for industries such as oil and gas, construction, agriculture, and automotive.

ON-SITE HOSE REPAIR AND REPLACEMENT

Can't afford downtime?

Our fully equipped mobile service van brings hose repair and replacement services directly to your location. Staffed by skilled technicians and stocked with a wide range of **Hoses and Fittings**, our mobile service ensures quick and efficient solutions for your equipment.

Available 24/7, we're here to keep your operations running smoothly, no matter where you are in **Saudi Arabia**.

KEY FEATURES:

- **Fully Equipped Van:** A mobile workshop equipped with crimping machines, tools, and a wide range of hoses and fittings.
- **Skilled Technicians:** Experienced professionals capable of handling on site repairs and replacements.
- **Quick Response:** Rapid deployment to minimize downtime for your customers.
- **Comprehensive Services:** Includes hose assembly, repair, replacement, and maintenance.
- **24/7 Availability:** Emergency services for critical situations.

APPLICATIONS:

- Ideal for construction sites, mining operations, fleet maintenance, and industrial facilities and Oil & Gas.
- Perfect for businesses that cannot afford equipment downtime.
